

It's time to set the record straight.

Decision-makers like you **deserve facts, not falsehoods**, about the benefits of Solasta® natural astaxanthin.

Today's Fact: USA Extraction

- ✓ Solasta® natural astaxanthin is extracted in the USA by a process that uses supercritical CO₂ to ensure safety, quality and consistency. Solasta® is NOT ethanol extracted.

To learn more, detailed information and downloadable infographics are available on our website: solixalredients.com. Or call 970-484-8094.

Solix Algrements, Inc. is a B2B supplier of algae-based, natural ingredients that benefit health-conscious consumers. Since 2006, the USA-based company has been a recognized leader in algal cultivation and has demonstrated its technology at scale. Solix applies its algae supply chain experience and expertise to market Solasta® Astaxanthin, Solmega® DHA omega-3 and other natural algal ingredients. Solix Algrements is headquartered in Fort Collins, Colorado, where it has an array of algae-specific technical, R&D and analytical resources.
